

Supported Living Services

Supported Living for individuals with:

- > Learning disabilities
- > Autism
- > Mental health needs
- > Behaviours that may challenge
- > 18-25 Support

Welcome

Higher Height Care was established in 2020. Since then we have developed a wide range of social care services for adults with autism, learning disabilities and mental health needs. We have built a reputation for delivering pioneering services and outstanding outcomes for the individuals in our care.

Our expert and highly dedicated care team

Our team empower individuals across our supported living and day services to consistently make a positive difference in their lives.

How we support individuals

- Working with individuals to find out their strengths, abilities, and preferences – We get to know them, their families, carers advocates, and other people who are important to them and their care and support.
- Helping individuals to set goals as part of their support plan.
- Working with individuals to help them achieve their goals.
- Making sure that individuals have easy-to-read information about their rights and choices to suit their communication needs.
- Providing person-centered practical help for individuals, such as support on how to manage their home, budgeting, housework, and healthy living through positive behaviour planning.
- Helping and encouraging individuals to build relationships and access whichever community activities they would like to take part in.

Introduction

Our priority is to ensure that the individuals we support enjoy the right to a happy and fulfilled life. We ensure that individuals in our care feel safe in their environment, are understood and are able to communicate to the best of their ability. Most importantly with the right support and help we empower and enable each individual to successfully live in a community-based service that is suitable for their needs.

Our services have considerable experience and expertise in supporting individuals with learning disabilities, autism, mental health needs and behaviours that challenge them to develop independent skills and live an active and happy life.

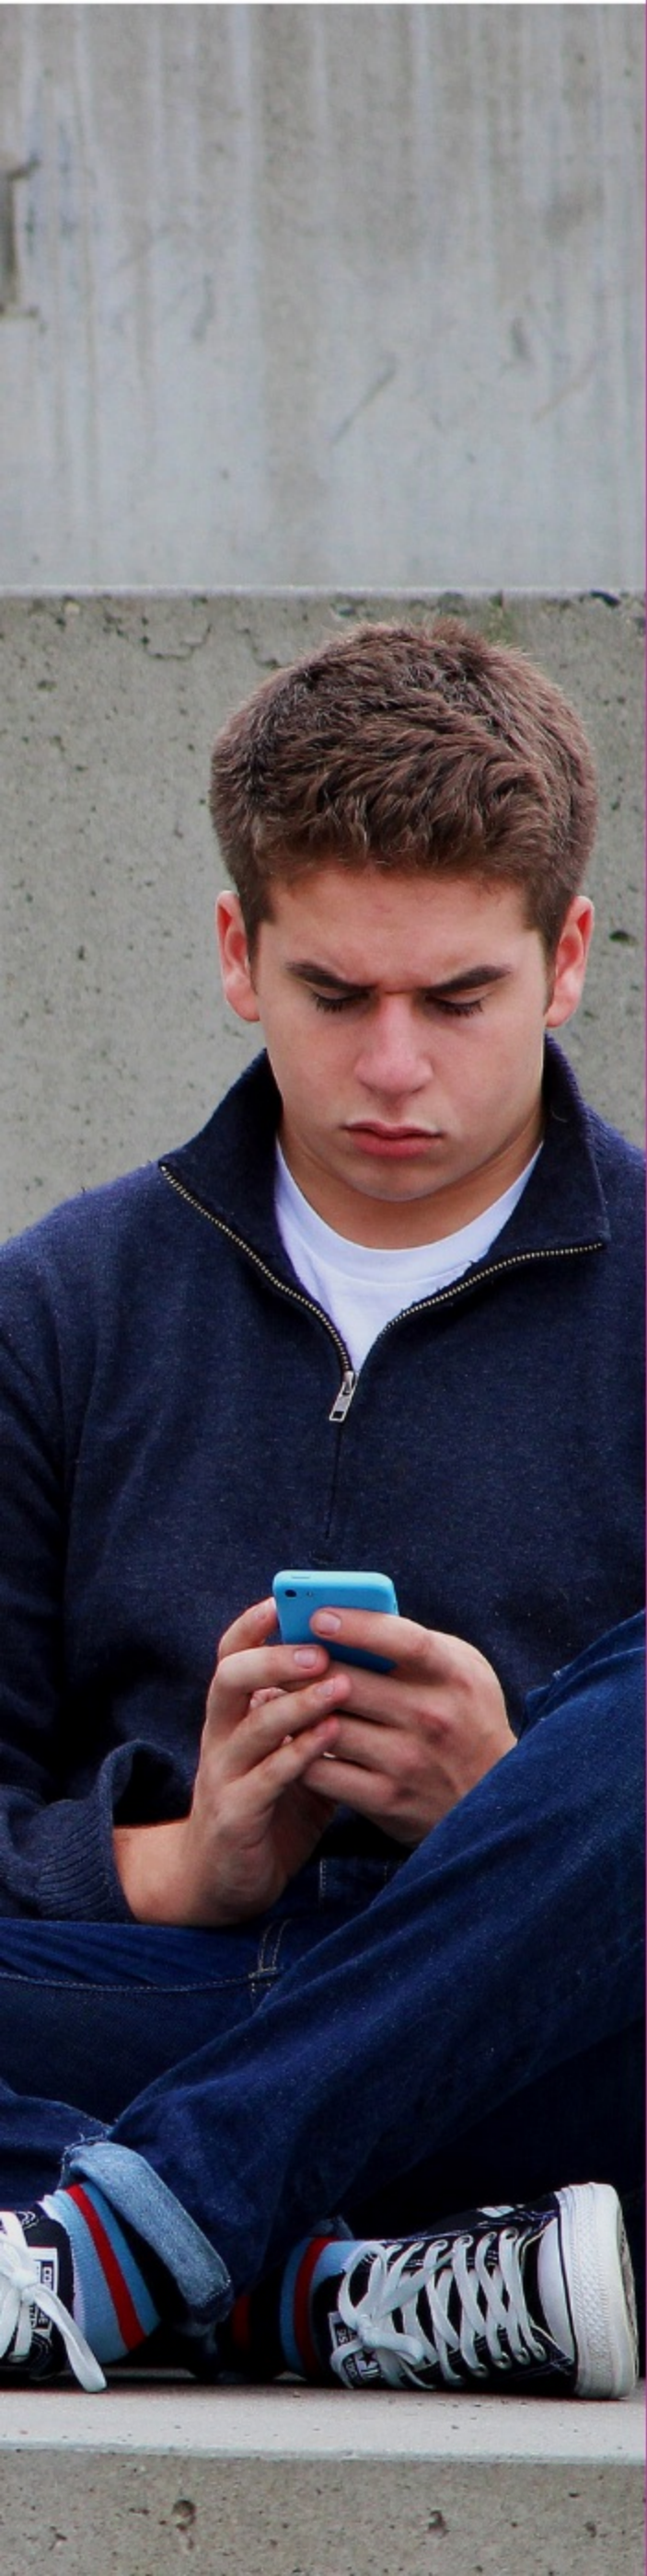

The support we provide in our services is person-centered and tailored depending upon the individual's needs.

Our specialities:

- > Learning disabilities
- > Autism
- > Mental health needs
- > Behaviours that may challenge
- > 18-25 Support

Our teams work with each individual to help them achieve HIGHER standards

Our Approach to Supported Living

Supported Living is an important step towards independence. We know how important it is for individuals to have the right support so they can live the life they want to live. We support individuals with learning disabilities, autism, mental health needs and behaviours that challenge. Individuals are supported to maintain their own tenancy agreement with a housing provider.

Higher Height Care are a specialised supporting living provider with years of valued experience in the supporting living setting. Our specialist staff team are highly trained and experienced to offer twenty-four hours a day. Each individual would be allocated an experienced and consistent staff team and training would be bespoke to individual support needs which enables individual to live as independently and safely as possible. We take the time to get to know them, their preferences, as well as their hopes and dreams for the future. We support individuals with a individual personal plan to achieve their goals and achieve a more independent lifestyle.

Higher Height Care delivers quality, bespoke services that enable individuals to live as independently as possible while maintaining the best quality of life available.
